

Upcoming EarlyEdU Highlight Webinars

As of 2/10/20 (subject to change)

March:

Sign up now for our March webinar, **New Course! Supporting Children Who Are Dual Language Learners**. Join Content Designer Anna McLoon and Dr. Katie Emerson-Hoss for an overview of this new in-person course. *Supporting Children Who Are Dual Language Learners* focuses on building the capacity of educators in the early childhood field to be able to respond to the unique needs of children who are dual language learners, birth to age 5. It makes connections between research-based effective practices, program policies, and broader societal systems with the goal of enabling educators to positively adapt their everyday classroom interactions and environments, gain a deep understanding of language and literacy development, and understand strategies that can be used to support learning in any content area.

Date: Thursday, March 5, 2020
